

Environmental Policy Statement

Bawden Contracting Services Ltd (BCS) is a grounds maintenance, landscaping, arboriculture and tree surgery company and is committed to reducing any actions which have an adverse effect on the environment. This commitment extends not only to its own actions, but also to advice provided to its customers. It supports this commitment by operating to the ISO 9001 Quality Management System and the ISO 14001 Environmental Management System.

In conducting its business, the Organisation aims to prevent pollution and to save natural resources by operating in the most environmentally friendly and efficient way, including recycling wherever achievable. The Organisation also sources, procures and utilises renewable and environmentally sustainable resources wherever possible. Additionally, it sustains the commitment to the environment by not only keeping its use of materials down to a minimum but also its use of non-renewable resources such as petrol and, indirectly, of electricity. Furthermore, the Organisation encourages its customers to adopt environmentally friendly business practices wherever possible.

This commitment extends to all areas of its business whether carried out on its own or on its customers premises. It further aims to continually improve its environmental performance in order to safeguard the quality of the environment, both locally and globally.

Legislation and Regulations

All applicable legislation and regulations are adhered to at all times and it is the Organisation's policy to keep up to date and implement the requirements of all new environmental legislation.

Management Responsibilities

The Directors and Managers are responsible, both individually and collectively, for communicating to all employees the environmental needs of the Organisation and for enacting the Policy.

Local Requirements

It is the aim of the Organisation, in addition to regulation and legislation, to be a good neighbour and reduce to an absolute minimum any environmental aspects.

Review of Environmental Policy, Objectives and Targets

The Organisation has a number of environmental objectives which are publicised to staff, clients and the public. These targets are set and routinely reviewed by means of its auditing, non-conformance control and management review processes.

Communication

This Environmental Policy is published on the Organisation's website, is enclosed with business proposals, where appropriate, and is also submitted with advertising literature.

Richard Bawden
Managing Director
