Health and Safety Policy 2011

Our policy document is detailed on the following pages. This forms an integral part of our OHSAS 18001 Health and Safety management system.

BAWDEN CONTRACTING SERVICES LTD

INTEGRATED ISO 9001:2000, ISO 14001:2004 and OHSAS 18001:1999 QUALITY, ENVIRONMENTAL & HEALTH & SAFETY POLICY MANUAL

Part 4 – OHSAS 18001

4.1 GENERAL REQUIREMENTS

The BCS OH&S Management System is set out in clauses 4.2 to 4.6.

4.2 OH&S POLICY

It is our policy to provide, maintain and improve the working environment for all our employees. We are committed to provide information, training and supervision as necessary with the aim of continually improving our health and safety performance. This responsibility extends to the health and safety of other people who may be affected by the Bawden Contracting Services Limited activities.

All applicable legislation and regulations are adhered to at all times and it is BCS policy to keep up to date and implement the requirements of all new Health & Safety legislation.

The allocation of duties for safety matters and the arrangements to implement the policy are set out within this policy manual.

The Directors and Managers are responsible, both individually and collectively for ensuring that Health & Safety matters are given the highest priority.

This policy will be kept up to date and will be reviewed on a regular basis by the Directors to ensure that it remains relevant and appropriate. This review will not be less than once per annum. The policy forms an integral part of the company's OHSAS 18001 accredited Health and Safety Management System.

It is the responsibility of all employees to ensure that they comply with this policy at all times. All employees have had this policy brought to their attention.

This policy can be shown freely to other interested parties.

Richard Bawden,
Managing Director.
